## ACKNOWLEDGEMENT

In consideration of Cycling NZ *Auckland* (the organiser) allowing me to enter the *Auckland 1000 Road Race* (the event) I, the person whose name and signature appear below, acknowledge:

1. I am aware of the dangers of road racing and compete in the event at my own risk;
2. I have read and understood any written race instructions and acknowledge that all instructions, whether written or verbal, are clear and unambiguous;
3. The organisers have done their best to make the event as safe as they can taking into account the restrictions imposed by authorities on road closures and the fact that the organisers cannot control every eventuality;
4. I must obey the road rules and, in particular, must stay to the left of the centre line;
5. I am responsible for ensuring that all equipment I may use in the event is safe and in good condition;
6. Even where there is a road closure, there is no guarantee that other members of the public will necessarily respect the road closure or obey the road rules;
7. If I am involved in an accident, I will not seek to blame or make a claim against the organisers. Nor will I assist anyone else in making such a claim;
8. If I have any concerns with the race organisation, I will raise them with the organiser first. I will not raise them with any other person, recognising that I will only jeopardise the continuation of the event;
8. This acknowledgement is intended to be binding on my relatives, personal representatives, heirs and successors.
